The Traveller Equality and Justice Project

The Traveller Equality and Justice Project aims to highlight ongoing levels of discrimination experienced by Travellers in Cork and Kerry. Our objective is to provide legal research support to Traveller organisations and map experiences of Travellers who have been refused access to goods and services.

Examples of CEL ongoing in UCC

- Microbiology 2nd year students and UCC Community Gardens
- Applied Psychology 2nd year students and Let's Grow Together
- MSc in Food Business and Innovation Students and Cork Penny Dinners
